ROMA - "Purtroppo si è rotto il tendine popliteo del ginocchio destro. Nei prossimi giorni dovremo valutare se il caso di fare l'operazione o meno. Stagione finita? Non lo so; anche nel caso dovessi operarmi potrei rientrare per la fine del campionato". All'uscita di Villa Stuart dopo la visita dal prof. Mariani, Alessandro Nesta ha ammesso di aver riportato la rottura del tendine popliteo del ginocchio destro. "Adesso proveremo a vedere se il ginocchio resta stabile nonostante la rottura del tendine"

COSA SUCCEDERÀ GIOVEDÌ ALL'OSPEDALE

GIOVEDÌ 23 SETTEMBRE VADO ALL'OSPEDALE CON MAMMA E PAPÀ

QUANDO ARRIVO IN OSPEDALE AL 5° PIANO, INCONTRO L'INFERMIERA LUISA CHE MI SALUTA E MI ACCOMPAGNA NELLA STANZA NUMERO 9.

LA MAMMA MI AIUTA A METTERE IL PIGIAMA.

A vertical sequence of four panels. The first panel shows a calendar icon and a hospital icon. The second panel shows a calendar icon with a red cross and an ambulance icon. The third panel shows a nurse icon. The fourth panel shows a person thinking, a person in a green dress, a hand pointing, and a person in a red hospital gown sitting in a bed.

An illustration of a small orange character with antennae sitting on a flying saucer, surrounded by yellow stars. Below it, a yellow crescent moon and a hand reaching out are shown.

Levels feature large, colorful graphics, and fun sound effects.
Works on all iPad models.

4 to 3 (1 of 5)

A game interface for a shape matching activity. It features a green house shape, a red rectangle, and a purple circle in the top row. The bottom row contains a white rectangle, a white house outline, and a blue heart. A horizontal line separates the two rows.

An illustration of a campfire with flames and a red and white striped vase, both enclosed in green circles. Below them are icons for a butterfly, a pizza, a volcano, and a window.

LIVES: 2 SCORE: 16

2

8 3

12 17

20

3 + ? = 5

A math game interface with a purple background. It shows a score of 16 and 2 lives. There are buttons with numbers 2, 8, 3, 12, 17, and 20. A math problem 3 + ? = 5 is displayed.

Created by an Occupational Therapist.
Visit www.ReadyToPrintApp.com for video demos.

Connect the dots to draw a square.

Draw it on this side without the dots.

A drawing activity interface. The left side shows a square formed by connecting four dots with blue lines. The right side shows a square outline with a green border.
